10 proven ways to **GROW** your **BUSINESS** using social media

Social Media Practitioner and Social Buzz Lab Owner, Patsy Stewart has 10 years of Marketing and Branding experience with a strong background in Digital Media. She is passionate about helping companies understand how they can use social media to generate BUZZ around their brand. She has extensive experience integrating social media with traditional media. Patsy is a National Speaker and a contributor to Social Media Today as well as guest posts on many social media blogs. She is the author of the ebook "How to Grow Your Digital Footprint".

John Lusher, The Mad Scientist of The Social Buzz Lab, is a social media consultant and owner of John Lusher Consulting. John is a vital member of the training team and is the King of relationships. An avid practitioner and believer of connecting with others, John works to build his own network for the benefit of others.
